

Society for the Anthropology of Consciousness
A section of the American Anthropological Association

February 18, 2004

Dear members of SAC and supporters:

We are conducting a survey to learn more about your interests and needs. We also wish to find out how you feel about *AoC* (our journal, *Anthropology of Consciousness*), SAC Spring meetings, and *AnthroSource* (an on-line portal which will have all AAA journals available for all AAA members). Participation in this survey is voluntary, but we encourage you to participate, as your responses WILL help strengthen SAC and the quality of its activities. We ask that you please return the completed survey in the enclosed envelope within a week. The Executive Board would like to present and discuss preliminary results during SAC's Spring meeting in California (March 24-28). If you are unable to return the survey within a week, please mail it whenever possible. All the information that you provide will be kept confidential. If you have questions about this survey, or would like more information, please see the SAC web site (sacaaa.org) or contact the SAC Executive Committee members listed below. Thanks for your kind cooperation.
